RE: Discharge Program

Dear Partner and Stakeholders,

This letter is to inform you that the Discharge Program operated through NAN Legal Services these past few years – will no longer be providing services as the program has wrapped up. During this time, we have arranged safe and timely travel for more than 3000 Indigenous persons being released from custody in Northern Ontario.

As one of our most valued partners we thank you for your support in making this program the success it was.

If you require information regarding Discharge assistance, please contact SOLGEN through the following link or phone:
